REQUEST FOR PROPOSAL

Request for Proposal
RFP 2026-010

SECURITY CAMERA SYSTEMS

Close Date: December 2, 2026

1. Background Information

The Town of Watson Lake is seeking proposals from qualified Proponents to supply and install security camera systems at four (4) municipal facilities. The intent is to enhance public safety, deter vandalism and criminal activity, improve incident investigations, and provide reliable video evidence when required.

2. Intent of the Proposal

This Request for Proposals (RFP) is meant to provide the Proponent with the information necessary to prepare a competitive and comprehensive Proposal for each facility, based on facility information provided in section 5 of this RFP document, and facility drawings, in Appendices "A" through "D" Facility Drawings.

The RFP calls for individual prices for each facility. The Town reserves the right to accept all or any number of the facility prices and proposals, based on budget availability. It will be the Town's discretion as to which facilities take priority and if all or any proposals are accepted.

The Proponent shall use their expertise to recommend appropriate security camera systems that provides robust functionality for each individual facility. The Town understands that there are various solutions available from industry providers and is therefore seeking innovative solutions that meet the needs of each unique facility. The Town is seeking a proponent whose solution can meet or exceed the requirements as described in the T-4 Schedule of Specifications.

The Town will accept an Expression of Recommended Changes from Proponents if the Proponent identifies amendments that would enhance the project's outcomes, efficiency, or value. All recommended changes must be clearly described and supported by rationale and presented in their Proposal. Acceptance of any recommended change shall be at the sole discretion of the Town.

The successful Proponent will provide all required labour, materials, software, and equipment to install and configure fully functioning security camera systems. The security camera systems should capture clear images that can be used to prosecute offenders, if needed.

The onus is on the proponent to demonstrate knowledge, understanding, and technical ability to conduct the work outlined in this RFP.

3. Instructions - RFP Process and Submission Instructions

3.1 Estimated RFP Timelines

The Town's intended schedule for awarding the RFP is as follows:

Action	Estimated Date*
RFP Release	November 4, 2026
Deadline for inquiries	November 25, 2026
Closing Date and Time	December 2, 2026
Award of Contract (Tentative)	December 22, 2026
Contract Completion Date	March 31, 2027

**The dates listed above are estimates and the Town reserves the discretion to change any of the above dates.*

3.2 Request for Proposal Submissions

Proposals must be submitted in a password protected format to cdo@watsonlake.ca. Upon closing, an email will be sent requesting the password.

Proposals must be emailed, submitted, and finalized **before 4:00:00 P.M. Yukon Time, December 2 2026**. Proposals received after this time will not be considered regardless of the reason for being late.

Proposals received by fax, paper delivery or any other method other than what is described above, will not be accepted or considered further for evaluation and will be returned to the Proponent, respectively, upon receipt.

3.3 Inquiries

All inquiries related to this RFP should be directed by email to the following person (the "**Town Representative**") on or before **4:00:00 P.M. Yukon Time, November 25, 2026**.

Town Representative: Tiffany Lund

E-mail: cdo@watsonlake.ca

Information obtained from any unauthorized source may not be relied upon. Inquiries and responses will be recorded and may be distributed to all Proposers at the Town's discretion. Proposers are responsible for checking the RFP and related documents for completeness. The Town may respond to requests for clarification via email from cdo@watsonlake.ca to the individual bidder or by issuing addenda at any time. However, the Town reserves the right, at its discretion, not to respond to any inquiry or request received, including if the inquiry or request is received without sufficient time before the deadline for inquiries.

If the Town determines that an amendment is required to this RFP, an addendum will be issued in accordance with Section 2.6.

Communications regarding this RFP addressed to the Town that are not received by the Town at cdo@watsonlake.ca could be cause for disqualification.

3.4 Language

Proposals should be in English. The Town reserves the right to not review any portion of a Proposal that is not written in English.

3.5 Addenda

Addenda are the only means by which the Town will vary or change any of the information contained in this RFP. The Town reserves the right to issue addenda at any time prior to the Closing Time. The Closing Time may be changed by the Town by an addendum at any time prior to the Closing Time, for any reason.

If the Town determines that an amendment to this RFP is required, the addendum will be emailed to all to all registered proponents.

Bidders are responsible for ensuring all addenda have been received. Addenda issued will form part of this RFP. No amendment of any kind to this RFP is effective unless it is contained in a formal written addendum issued by the Town Representative. No oral conversations or representations from the Town Representative or any other person will affect or modify any provision of this RFP or may be relied upon by any Bidder.

T-2 SCHEDULE OF ADDENDA, should be filled out and submitted with the Proposal.

3.6 Contract Award

The Proposal submitted will form the basis of a contract between the Town of Watson Lake and the successful Proponent. The successful Proponent will be required to supply and install security camera systems in accordance with these Documents.

3.7 Period of Contract

The Period of the contract shall commence on the date of issuance of a Purchase Order and shall end at the end of the warranty period.

3.8 Termination of Contract

Any contract resulting from this RFP may be terminated by the Town if the service is not as proposed or otherwise agreed upon by the Town or authorized personnel in writing. In the event the contract must be terminated, the Town reserves the right to exercise all available remedies including, but not limited to, the recovery of incidental and consequential damages.

Failure to comply with any condition may result in the contract cancellation without subsequent cost or liability to the Town of Watson Lake.

4 Applicable Legislation

The successful Proponent must ensure that the security camera systems meet PIPEDA and other relevant federal and territorial legislation requirements. Cameras shall not record washrooms, change rooms, employee break areas, or other areas where a reasonable expectation of privacy exists.

5 Facility Information

5.1 Watson Lake Recreation Centre – See Appendix "A"

5.1.1 The facility has a main floor, two upper floors and a basement.

5.1.2 Interior cameras are required throughout the facility, including areas listed in section 5.1.4 of this RFP document. No cameras are required for the basement area.

5.1.3 Exterior cameras are required for the entire facility, including parking lot areas, building entrances, and vehicle compound.

5.1.4 Within the Recreation Centre there are several entrances and exits, hallways, and interior areas, including but not limited to:

a. Main Hall (Morgan Chaddock Hall)
b. Main Foyer/Entrance
c. Staff Room/Office
d. Hockey Arena and spectator area
e. Hockey Changeroom Hallway
f. Youth Lounge
g. Gym
h. Fitness room/squash courts/showers hallway
i. Toddler Play Area
j. Bowling Alley
k. Curling Lounge
l. Curling Rink
m. Mezzanine

n. Second and third level office spaces and hallways
o. Mechanical Room and workshop

5.2 Municipal Service Building – See Appendix "B"

5.2.1 The facility includes a Public Works Shop, Fire Hall and Training Room that is available for rent to the public.

5.2.2 Interior cameras are required at the main entrance and training facility hallways, as indicted in red on Appendix "B" Facility Drawings. Cameras are not required in Public Works shop or Firehall areas, vehicle bays, or offices.

5.2.3 Exterior cameras are required for all entrances/exits and in various locations of the building exterior to capture the yard and equipment storage areas.

5.3 Water Treatment Facility – See Appendix "C"

5.3.1 No interior cameras are required.

5.3.2 Exterior cameras are required for entire facility, including the entrances and fill station and in various locations to capture the generator and water wells, as indicted in red in Appendix "C".

5.4 Northern Lights Centre – See Appendix "D"

5.4.1 This facility houses the Northern Lights Centre (NLC), Visitor Information Centre (VIC), a gift shop, dome theatre and office spaces on the main and top floors. There is also a basement.

5.4.2 Interior cameras are required all entrances/exits, the NLC and VIC public spaces, cashier desk, and the gift shop area. Cameras are not required in dome theatre area, basement, upper level or office spaces.

5.4.3 Exterior cameras are required for entire facility, including entrances and parking lot area.

5.5 Site Visits

Site visits are encouraged. Appointments can be arranged by contacting the Town Representative, listed in section 3.3 of this RFP document.

6 Scope of Work

6.1 Supply

The successful Proponent shall supply:

6.1.1 Cameras
6.1.2 Network Hardware
6.1.3 NVRs
6.1.4 Mounting Hardware
6.1.5 Cabling

6.2 Design

The Proponent is responsible for the following:

6.2.1 Site inspections
6.2.2 System Design
6.2.3 Camera Placement Recommendations
6.2.4 Field of view calculations
6.2.5 Network assessment

6.3 Installation

Installation responsibilities include:

6.3.1 Cable installation
6.3.2 Camera Installation
6.3.3 Equipment rack installation
6.3.4 System configuration
6.3.5 System testing

6.4 Documentation, Training and Support

Upon installation completion the Town will be provided:

6.4.1 Manuals, schematics, as-build drawings, including software documentation
6.4.2 Camera and network diagrams
6.4.3 On-site administrator training
6.4.4 End-user training
6.4.5 On-site or remote diagnostic, repair and replacement services

7. Proposal Requirements

7.1 Interior Camera Requirements

7.1.1 Minimum 4MP resolution
7.1.2 Infrared capabilities
7.1.3 Motion-based recording
7.1.4 Export capabilities
7.1.5 Minimum 60 day recording retention period
7.1.6 Local recording and storage enabled
7.1.7 Remote/mobile and local viewing
7.1.8 On-site or remote diagnostic, repair and replacement services

7.2 Exterior Camera Requirements

7.2.1 Minimum 4MP (8MP preferred)
7.2.2 24/7 continuous recording
7.2.3 Export capabilities
7.2.4 Minimum 60 day recording retention period
7.2.5 Local recording and storage enabled
7.2.6 Remote/mobile and local viewing
7.2.7 Remote firmware updates
7.2.8 Infrared capabilities
7.2.9 Weather resistant
7.2.10 Operating temperatures suitable for Yukon climate

7.3 Other Requirements

7.3.1 All materials supplied shall be new, CSA approved and of the quality indicated in the RFP document.
7.3.2 Proponents must state the length of camera, hardware, and any other warranty included in the Proposal. Any lessor warranty for sub-components must be disclosed.
7.3.3 Proponents must provide a timeline for delivery and installation of the security system.
7.3.4 Proponents must provide a minimum of three (3) references and shall provide contact information for each reference.
7.3.5 The successful Proponent must provide proof of WBC coverage and a minimum General

Liability Insurance coverage of $2,000,000.

7.3.6 The successful Proponent must have a valid Watson Lake or Inter-Municipal Business Licence prior to commencing camera and/or hardware installation.

7.3.7 The successful Proponent must provide on-site or remote diagnostic, repair and replacement services.

8. Proposal Structure

All Proponents shall include at minimum, the following information in their Proposal:

a. Make and model of all equipment proposed
b. Complete technical specifications of the equipment, including all functional capabilities
c. Sketches of proposed design/layout of cameras and equipment at each facility
d. An expression of recommended changes to RFP specifications, if any
e. Complete warranty information for each piece of equipment
f. Fully executed Appendices to this RFP document

9. Pricing

9.1 The Proponent is required to provide separate proposals and prices for each facility.

9.2 All prices provided shall include the cost of labour, materials, equipment, permits, travel, training, services, taxes, and all other expenses not listed.

9.3 Ongoing support costs, if any, should be included in the Proposal, including onsite and remote diagnostic support, and repair and replacement service rates.

10. Proposal Evaluation

Bidders acknowledge and accept, by submitting a proposal, that the Town of Watson Lake's evaluation will be based on the quality, accuracy, and feasibility of the proposal submitted. The Town will have sole discretion in determining how proposals are evaluated and in selecting the successful proponent.

Town reserves the right to request clarifications or further details from proponents during the evaluation process. The final decision will be made based on the Town's assessment of the best overall value for the project.

Without limiting the generality of the foregoing, any Proposal may be rejected for:

Any significant items omitted from the proposal or for the failure to meet the minimum requirements. A proposal may be rejected where there is substantial evidence that, according to the evaluation criteria set out, the bidder would be unable to carry out the work required. The determination of whether to reject any proposal or to remove any proposal from the evaluation process will be made in the absolute discretion of the Town.

Whenever alternatives are accepted, the Proposer shall be responsible for making all consequential adjustments to make the alternative fit into the Work as specified, and any consequential costs shall be deemed to be included in the price proposed for the Alternative Proposal.

Proposals will be evaluated based on the following criteria:

a. Experience of Company/Team;
b. Proposed Camera and Installation design;
c. Completeness of Proposal;

d. Project Schedule;
e. References and Experience
f. Service, Maintenance and Warranty program; and,
g. Cost.

11. RFP General Terms & Conditions

11.1 General

By submitting a Proposal, a Proposer agrees that, upon Proposal Acceptance, the Proposer, if selected as the Preferred Proposer, will execute the Contract. The Preferred Proposer's Proposal, or any portion thereof, may form part of the Contract at the Town's discretion.

11.2 Irrevocable

All proposals are irrevocable for and open for acceptance for a period of sixty (60) days from Proposal Closing or until a Contract is signed with the Successful Bidder(s), whichever comes first.

11.3 No Obligation

This RFP does not commit the Town in any way to select a Preferred Proposer, or to proceed to negotiations for a Contract, or to award a Contract. The Town reserves the right to at any time for any reason reject all Proposals, terminate this RFP, and proceed with the Project in some other manner. The lowest or any quotation or proposal shall not necessarily be accepted.

11.4 Reservation of Rights

Notwithstanding any other section of this RFP or any practice or custom of the trade or industry, the Town, in its discretion, reserves the complete right to, at any time and from time to time, do any or all of the following:

- accept any proposal;
- disqualify a Proposer from this RFP;
- negotiate scope, pricing, schedule, and technical requirements;
- reject any proposal for any reason, including without limitation if in the Town's view the Proposer or its proposed subcontractors do not have sufficient experience performing services similar to the Services;
- reject all Proposals for any reason, terminate this RFP process and, if the Town elects, obtain or proceed with the Project in some other manner, including by conducting a new procurement process;
- accept a Proposal which is not the lowest cost Proposal even if the lowest cost Proposal conforms in all respects with the requirements set out in this RFP;
- accept a Proposal that does not comply with the specifications set out in the Contract;
- reject a Proposal even if it is the only Proposal received by the Town;
- not proceed to review and evaluate, or discontinue the evaluation of, any Proposal;
- receive further information from any Proposer or refuse to receive further information from any Proposer;
- negotiate the Contract and other terms with any Proposer;
- award a Contract to whomever the Town in its discretion deems appropriate and in the best interest of the Town; and
- object to a proposed subcontractor for reasonable cause, in which case the Town will permit a Proposer to propose a substitute subcontractor acceptable to the Town.

The Town may, in its discretion, reject any Proposal which fails to conform to or includes qualifications to the requirements of this RFP, which is materially incomplete, obscure, or irregular, which contains exceptions or variations, or which omits any material information required to be submitted. Notwithstanding anything to the contrary in this RFP, the Town may in its discretion (and if it is deemed to be in the best interest of the Town) retain any such Proposal for consideration and may waive any or all of the foregoing, on such terms and conditions as the Town may consider appropriate and consider such Proposal in the same manner as Proposals that fully conform to the requirements of this RFP without qualification.

11.5 Receipt of Complete RFP

Proposers are responsible to ensure that they have received the complete RFP, plus any addenda. A submitted Proposal will be deemed to have been prepared on the basis of the entire RFP issued prior to the Submission Time, including any addenda. The Town accepts no responsibility for any Proposer lacking any portion of this RFP. The submission of a Proposal constitutes a representation by the Proposer that it has verified receipt of the complete RFP, including any addenda.

11.6 Examination of RFP and Contract Documents

Proposers will be deemed to have carefully examined the RFP and any addenda prior to preparing and submitting a Proposal.

While the Town has made considerable efforts to ensure an accurate representation of information in this RFP, the information contained is supplied solely as a guideline for Proposers. The information is not guaranteed or warranted to be accurate by the Town, nor is it necessarily comprehensive or exhaustive. Nothing in this RFP is intended to relieve Proposers from forming their own opinions and conclusions with respect to this RFP.

11.7 No Collusion

Bidders shall not discuss or communicate, in any form, with any other Bidder or any representative or agent of any other Bidder regarding the preparation or presentation of their Bids. Bids shall be submitted without any connection, knowledge, comparison of information, or arrangement, with any other Bidder or any agent or representative of any other Bidder.

If a Bidder contemplates using the same subcontractor or supplier for a particular part of the Deliverables, the Bidder shall put into place appropriate ethical walls and other safeguards to protect the confidentiality of their information and to ensure collusion does not take place.

11.8 Conflict of Interest

Proposers should disclose any potential conflicts of interest and existing business relationships they may have with the Town. The Town may disqualify any Proposer that in the Town's opinion:

- has an unfair advantage (including access to any confidential information not available to all Proposers), whether real, perceived, existing now or likely to arise in the future; or
- would be in a conflict of interest if the Proposer is awarded a Contract.

By submitting a Proposal, a Proposer warrants that, to the best of its knowledge and belief, no actual or potential conflicts of interest exist with respect to the submission of the Proposal, other than as disclosed in the Proposal. Where the Town discovers a Proposer's failure to disclose an actual or potential conflict of interest, the Town may, in addition to any other remedies available, disqualify the Proposer.

The Town may disqualify a Proposer if a Town employee is a member of the Proposer Team, whether as an employee or as a sub-contractor, sub-consultant or specialist.

11.9 Proposer's Expenses

Proposers are solely responsible for their own expenses incurred in connection with this RFP, including in preparing and submitting Proposals, and for any meetings, negotiations or discussions with the Town or its representatives and consultants.

11.10 No Claims

By submitting a Proposal, each Proposer agrees that the Town and its employees, advisors, and representatives will not under any circumstances be liable for any claims, whether for costs, expenses, losses or damages, or loss of anticipated profits, or for any other matter whatsoever, incurred by the Proposer in preparing and submitting a Proposal, participating in this RFP process or other activity related to or arising out of this RFP process, including if the Town for any reason cancels this RFP process, rejects any or all Proposals, fails to identify or correct a discrepancy in a Proposer's proposed pricing, accepts any compliant or non-compliant Proposal or breaches any duty of fairness, express or implied term of the Proposal documents or other duty to the Proposer.

11.11 Confidentiality

All Proposals become the property of the Town and will not be returned to the Proposer. All Proposals will be held in confidence by the Town unless otherwise required by law. Proposers should be aware that the Town is a "public body" and must comply under the Access to Information and Protection of Privacy Act of the Yukon Territory. If the Town accepts a Proposal and enters into a Contract with a Proposer, the Town may issue a press release identifying the name of the successful Proposer and the value of such Contract.

By submitting a Proposal, the Proposer represents and warrants to the Town that the Proposer has complied with applicable laws, including by obtaining from each person any required consents and authorizations to the collection of information relating to such individual and to the submission of such information to the Town and the use, distribution, and disclosure of such information as part of the Proposal for the purposes of, or in connection with, this RFP.

11.12 Electronic Communication

The following provisions will apply to any email communications with the Town Representative, or the delivery of documents to the Town Representative by email where such email communications or deliveries are permitted by the terms of this RFP. The Town does not assume any risk or responsibility or liability whatsoever to any Proposer:

a. for ensuring that any electronic email system being operated for the Town is in good working order, able to receive transmissions, or not engaged in receiving other transmissions such that a Proposer's transmission cannot be received; or
b. if a permitted email communication or delivery is not received by the Town, or received in less than its entirety, within any time limit specified by this RFP; and
c. all permitted email communications with, or delivery of documents by email to, the Town

Representative will be deemed as having been received by the Town Representative on the date and times indicated on the Town Representative's electronic equipment.

11.13 No Promotion

The Contractor will not disclose or promote its relationship with the Town, including by means of any verbal declarations or announcements and by means of any sales, marketing or other literature, letters,

client lists, press releases, brochures, or other written materials, without the express written consent of the Town.

11.14 Invoicing and Payment

The Successful Proposer should direct all invoices to Town of Watson Lake, Accounts Payable. Invoices should be submitted electronically in pdf format to cao@watsonlake.ca.

Any contract entered into will be subject to, (have included), payment terms provided all terms and conditions on the part of the successful Proposer have been complied with, for payment of each invoice or progress payment within 30 calendar days after receipt of the invoice, or 30 calendar days after delivery of goods or services whichever is later.

11.15 Incomplete Proposals and Errors

The Town may request clarification where, in the opinion of the Town, the Proposal is incomplete or unclear. For unit price items, the unit price will govern. If an error is discovered in the calculated total price for a unit price item, based on the extension of the unit price by the estimated quantities or based on the addition of GST, then the total price may be revised by the Town to the correct amount based on the unit price and estimated quantity, or GST amounts.

11.16 Insurance

11.16.1 Contractor shall provide Certificates of Insurance prior to starting work.

11.16.2 The Contractor shall provide and maintain, either by way of a separate policy or by an endorsement to its existing policy, Comprehensive General Liability Insurance acceptable to the Town and subject to limits of not less than two million dollars ($2,000,000.00).

T-2 Schedule of Addenda

THIS SCHEDULE SHOULD BE COMPLETED AND INCLUDED IN THE SUBMISSION OF A BID

The Contractor states that the following Addenda have been received and have been considered and in determining the Proposal. Note: If no Addenda are issued, indicate N/A on the first line.

Addendum Number	Date Issued	Number of of Pages

T-3 Schedule for Parts/Repair and Service

THIS SCHEDULE MUST BE COMPLETED AND INCLUDED IN PROPOSAL SUBMISSION

The Proponent is requested to comply with and provide the following Safety, Warranty and Service Information:

1.0 Privacy and Safety

The Security Camera Systems must be compliant with all privacy and safety requirements including Federal, Territorial authorities, and all authorities having jurisdiction.

2.0 Service

The Proponent shall ensure that adequate service facilities are available for a reasonable period of time consistent with warranty requirements and the normal life expectancy of the equipment.

3.0 Contact Information for Service Facility

The Proponent shall provide its Service Facility area contacts as follows:

Company Name:	Telephone:
Company Address:	
Sales Contact:	Tel. No.
Service Contact:	Tel. No.
Warranty Contact:	Tel. No.

4.0 Warranty

The Supplier shall be required to warrant the Security Camera Systems equipment, providing protection against defects in materials and workmanship.

T-4 Schedule of Specifications

THIS SCHEDULE MUST BE COMPLETED AND INCLUDED IN PROPOSAL SUBMISSION

SECURITY CAMERA SYSTEMS

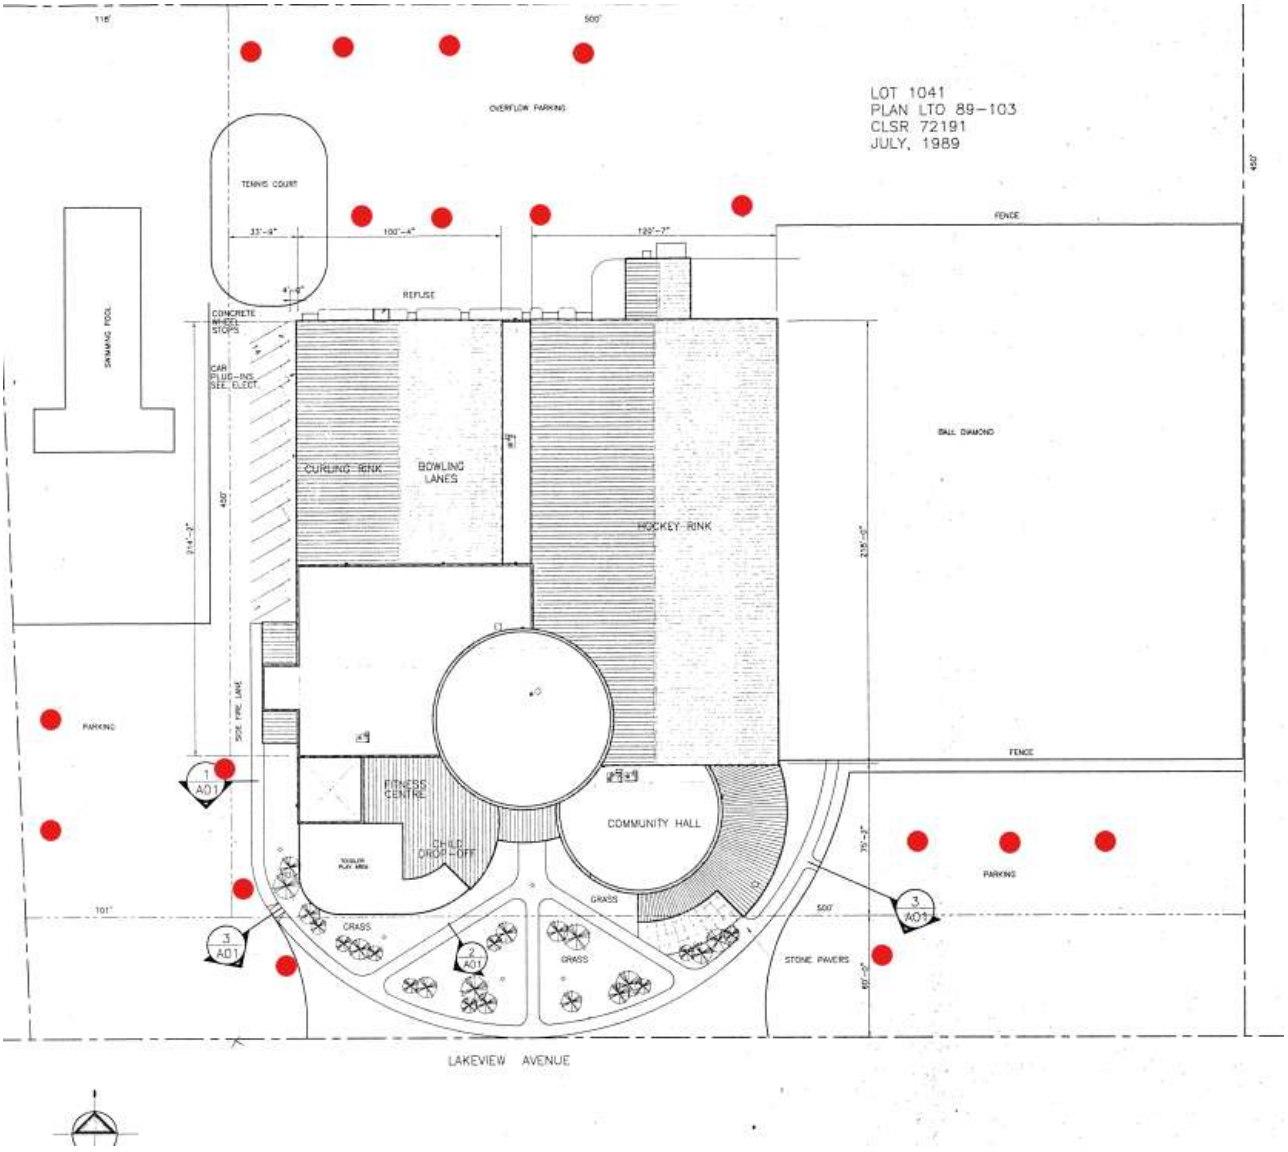

Bidders are to acknowledge each requirement and provide additional information regarding items quoted. For Deviations from specification that fall outside of the below, please ensure they are included in an Expression of Recommended Changes (EORC).

SPECIFICATION		DEVIATIONS	
ITEM #	**Description**	**"Meets" or "Exceeds"**	**If the specification does not meet or exceed requirements, has it been included in an EORC?**
1.0	**Indoor Cameras**		
1.01	Minimum 4MP camera resolution
